Thanks Chris.

Look forward to being on this tour and meeting with you again. No sampling this time.

Best for your day, Annette.

Hi Annette,

I'm going to be contacting our hosts at [REDACTED] to see if they have any recommendations on hotels, etc. and will keep you informed as to our own travel arrangements. We'll also plan to send out an itinerary similar to the one Cal-EPA sent out for the [REDACTED] tours to make sure everyone knows locations/phone numbers.

Let me know if you have any questions or concerns

Best,  
Chris

I just spoke with Angela and Elizabeth. They both plan to attend the Tour.

Any recommendations on logistics, e.g., hotel?

Thanks, Annette.

Yes, I thought you said that, but on the doodle poll only Angela chose the 10<sup>th</sup>, and Elizabeth indicated she was not available. According to the poll, both are available on the 7<sup>th</sup> and the 9<sup>th</sup>. So, I am not sure anymore how we stand on the side of CDC.

Actually, CDC indicated that June 10 was a better possibility for them. I am still not sure that I can come, but June 10 may work better for me.

Good morning Annette,

I believe that the 10<sup>th</sup> was the only date Jackie could come out, too. Having both of you express preference for the 10<sup>th</sup> is a strong reason to decide for that date. I will keep you posted.

Best,  
Ksenija

Good Morning Ksenija,

I had hoped to do this trip but I have commitments for those dates. Friday 6/10 is my CDO and would consider going out. So let me know if this is the day that is decided and I will keep open.

Thanks. Annette.

**Subject:** Tour of [REDACTED] tire crumb facility in [REDACTED]

Hi all,

As part of the federal action plan on the use of recycled tire crumb in sports fields, we will be touring [REDACTED] a tire recycling facility in [REDACTED]

Please respond to the Doodle poll so we can lock down the date for the tour:

**Ex. 6 Personal Privacy (PP)**

Doodle:  
Tour of  
tire crumb  
processing  
at [REDACTED]

doodle.com

The purpose of the tour is to see the processing of tires into crumb rubber infill for sports turf, and ask questions around the source and variability of feedstock, processing technologies and variability in end product properties. The proposed time frames are for the tour of the facility, only;

attendees  
should plan to  
fly into  
[redacted] the  
night before or  
take an  
extremely early  
flight on the  
day of the tour.

(Please also keep in mind that you will either have to fly into [redacted] the day before or very early on the day of the tour.)

Thank you,  
Ksenija
